- BRIGHT POULOSE (Author)

There was a beautiful forest. All animals lived a peaceful life there.

One day, Jack found a yellow, glowing thing with a weird smell.

He rushed to others to explain what he saw.

He told everyone about what he saw in there.

When Kong saw the yellow thing, he ran from there in fear.

Back in Kong's house.

Golmer is the evil creature who destroys nature.

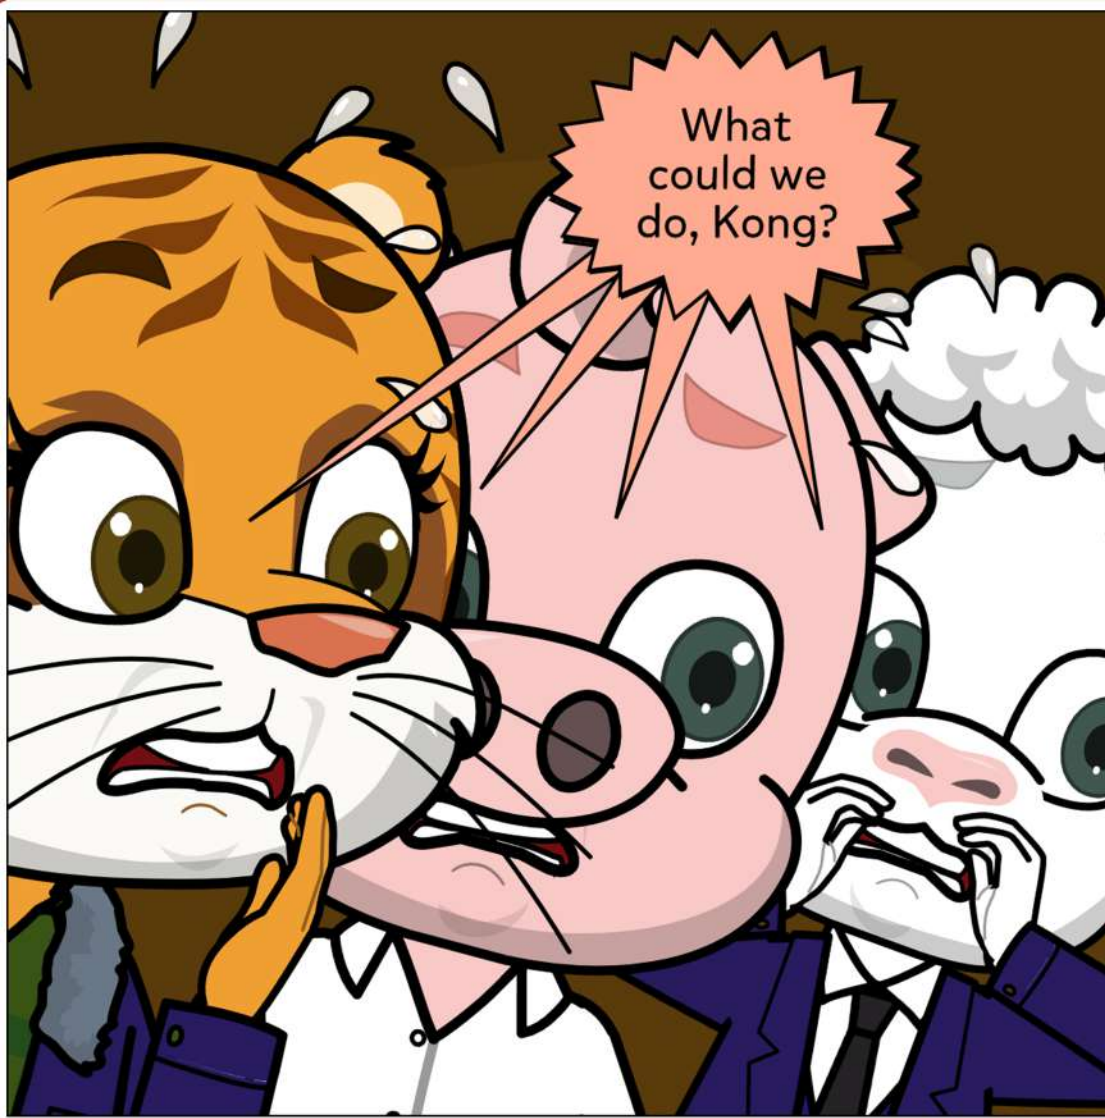

He eats trees and destroys vegetation.

He spits mercury and cyanide to pollute water.

He burns down everything and pollutes the air.

What could we do, Kong?

Only Euno can save us!!

Hurry... It's almost night. We need to find Leo.

Who's Leo?

At that time, in the jungle, Leo was in a deep sleep.

Zzz...

Leo explained everything to Euno.

Golmer
is gonna pay
for his actions.

Golmerrr...
It's time to face
your fate !!

Ha ha

think you can
kill me?

Jewel and Bullioner are fearsome warriors made of gold, Golmer's poo!

The fight has begun!!!

Jewel furiously approached Euno to kill him.

Hiss

Euno attacked Jewel with his magical wand.

When Jewel got hit by Euno's magical fire, her evilness got killed, and she changed into a cute girl.

Watching Jewel's defeat, Bullion charged at Euno.

Bullion was defeated with a single punch !!

When Bullion got hit by Euno's magical punch, he turned into a handsome young man.

Golmer spitted fire towards Euno.

Euno jumped and escaped from Golmer's fire.

Euno summoned a lightning strike, which killed Golmer !!!!

After Golmer's death, Jewel and Bullioner served in the jungle.

Everyone thanked Euno for saving their lives.

Thereafter, all of them lived happily in the forest.
